FISHING, LUXURY AND RELAXATION

* THE FISHING

"The fishing is fantastic! Not only did we catch all 5 species of salmon today, I caught my first Chinook over 30 pounds!" – Richard from Los Angeles, CA

Our area is home to some of the finest trophy salmon fishing in British Columbia. Millions of migrating salmon pool up in our bait rich waters as they make their way south. Fishing stays hot from June until September with all 5 runs of Pacific Salmon readily available. Our area is also home to amazing bottom fishing with huge halibut, ling cod, and red snapper.

Along with fishing, guests have limitless adventures to choose from every day. Guests can cruise around our calm waters on a nature cruise sure to turn up Orca or Humpback whales, black bears, bald eagles, otters or mink, dolphins or porpoises, and seals or sea lions. Other adventures include hiking coastal trails or an aboriginal tour of the area. ■

* THE LUXURY

"The food, the wine, the beautiful cabins... all of it is overshadowed by the amazing and personable service. Thank you!" – Karen from Seattle, WA

At Sund's Lodge, we dare to call ourselves the finest service lodge on the coast. It is rare to find this kind of luxury in the heart of the wilderness.

After a day of adventures,

nothing feels quite as good as a soak in one of our two spas while our servers attend to you with endless drinks and appetizers. Beautiful log and cedar cabins are appointed with down comforters, comfortable beds, and private baths.

Our team of chefs works daily with local and imported ingredients to make each dining experience an unforgettable adventure in fine cuisine. Of course, every meal is paired with great wines meticulously selected from Napa Valley, the Pacific Northwest, and British Columbia. ■

* THE RELAXATION

"Honestly, these last 4 days have been the most relaxing of my entire year." – Doug from Denver, CO

From the moment you arrive on our dock, we offer you total relaxation. After the staff greets you with a welcome song and a refreshing beverage, you'll know your holiday has begun. The impeccable service is aimed at offering you the chance to do what rarely happens in our modern world: *relax*.

Forget your worries here. The only pressure you'll be under is deciding what time to get up to go fishing the following morn-

ing. Enjoy our brand new, fully guided 23 foot ACB boats with enclosed cabins, bathrooms, and food and drinks. In the evening after a fantastic 5 course dinner, head down to the fire pit with a glass of wine to watch the sun go down. Or lay in the hammock and take a nap. Walk on our back 40 trail and experience the silence of an old growth forest. Hop onto a bike and take a leisurely ride into town. It really doesn't matter as long as you are enjoying yourself. Dwell in the possibilities of Sund's Lodge. ■

We're here to serve you.
